Dear Cindy Stevens:

We are pleased to inform you that your abstract entitled, Technology Acquisition: An Externally Based Class Project Life Cycle Depiction, is accepted for the 2014 Polytechnic Summit at Wentworth Institute of Technology in Boston, MA June 11-12, 2014. We very much look forward to your contribution and meeting you at the summit. We will send you a more detailed schedule as soon as we have more information.

For details about this two day conference, please see the summit website at: <http://www.polytechnicsummit.org/>. The opening lunch on Wednesday June 11th will feature keynote speaker Woodie Flowers ([http://en.wikipedia.org/wiki/Woodie\\_Flowers](http://en.wikipedia.org/wiki/Woodie_Flowers)). That evening we are delighted to offer a tour of Boston's Fenway Park. Kate Kazin (<http://collegeforamerica.org/about/entry/team>) will be giving our second keynote on Thursday June 12th.

Please register soon on the summit's website: <http://www.polytechnicsummit.org/register.html>.

Thanks again for submitting your work and sharing it with our polytechnic community. See you in June!

Yours truly,  
Amanda Hattaway & Charlie Wiseman
